LOUISVILLE.

MONDAY, FEB. 18, 1856

emocrat as well as we do might have sup-sed from his notes of preparation last week Democrat as well as we do might have supposed from his notes of preparation last week that he was about to reproduce on us from our fieer a quantity of terrible and most starting and the shaven matter, which, some how or other, had previously escaped the public affection. After all his warnings and threats and musterligs and blusterings, it was very funny to find him to blusterings, it was very funny to find him to blusterings, it was very funny to find him to be paper of Saturday merely quoting over again as proof of our being an abolitionist, the same as vigor, of philosophy as well as as energy, of character as well as ambit ton, of wisdom as well as energy, of character as well as ambit ton, of wisdom as well as energy of philosophy as well as some through a series of years, quoted fifty times over. The things in question didn't injure us when we issued them; they have never injure to when the Democrat and other bostile sheets have republished them in times past; and of contres no man in bits right mind is footeness particle when the Democrat and other bostile sheets have republished them in times past; and of contres no man in bits right mind is footeness to think that they can injure is now in the contribution of the days in which there were giants are fast to offer the time of the Democrat quotes from the Journal of twelve years ago not the sentence.

The cut of the EAL Presidency:

As to the Democration National Communication of the range of the line of the line

but the expression "all men have a right to liberium matter what color" This is downright knowery, y lla my, rascality. We have already stated over and over again, and not only stated but shown, that the expression quoted was not, as it purports to be, a sentence; that it was cut right out of the middle of a sentence, both the beginning and the end being clipped off; that the quotation of the whole sentence would have shown the reader that the phrase objected to had no reference to African slavery, this being expressly preclude; and that the whole article, written by our lamented partner Geo. W. Weissinger, a native of the South and as genuine a champion of South rn rights as ever lived, was written solety and avowedly to defend the institution of slavery against the feece assaults of Daniel

Gov. Reeder excluded from the Kansas Leg-

hoje was as tile one, and we now think that by changing them in a legal manner, or by apraise force at was an a wise one, but there was not be paling to the judiciary against them, or by realing to the judiciary against them, or by realing to the judiciary against them. ow of abolitionism in it. If a man thinks moving beyond the bounds of their operation, or we staves, that does not make bim an abeli-we st; and, if the whole people of Kentucky conflict between the Constitution or laws of the had chosen, eleven years ago or eight years ago. Ut ted States and the laws of a State or Territhe relayer, it would have been abourd and rich be latter until the question of conflict can be the slaves, it would have been about and riche latter until the question of conflict can be like times, or a want of capacity on bis part in each about 10 is in any obnoxious or offensive of cases, the President, if called on, should the nate condition. seed the law in experience of the freez would be seeded to receive the law between applications of the law in the been worthy only of the mouth or per resistance. We do not undertake to say that a Columbus (Ga) Times of the 21 instant says:

the south was hope of expecting to get in return for her important concessions to the Norb, we did not, like the editor of the Democrat, signify a willingness that she should not get teem find. We can see no difference between that. We can see no difference between that who will be about ionism of the Northern fanatics will save law and the aboutionism of the Northern fanatics will be about ionism of the Southern did by the moon? Or "the about of the Bouthern of the supplied of the fourth that are now in favor of the repeal of the fourth the supplied of the supplied of the southern of the southern of the supplied o that the first adventurers that can run into any Southern territory belonging to the United State-have full power to bar out Sonthern men will heir property from it and that the United State trine, caught up by the editor ex tempore to # 5tain Richardson, Douglas, and the rest of the Northern Democracy, is abolitionism in the vilest and most loathsome and at the same time he most dangerous shape it has ever appeare in to mankied. Is it not a most amazine illusavowing and preaching such a doctrine, dares to apply the word abolitionist to any living creature as a term of opprobrium?

And swas young and a his war a r Has ful, dark e e the oot so setray

Her rips, red I ps are we sat id in anning on as As In, a 15 a the dame she p dis a sp. especial interest at present, from his connection one gentleman, and the ret is divided among ception at the White House. It has been the with the period and events out of which arose several owners. The whole is said to be worth with the period and events out of which arose the political idea that now for the first time teems serio sly struggling for supremacy in our national policy. Among all our public men, he alone, perhaps, can speak of the import of the Mooree doctrine with the authority of a living the struggling for any constitution. The main chanted of the between Missouri and Missis in by the treaty, of 1783, with first distributions with the forms of courtesy force the struggling for any constitution. The main chanted of the Missouri and Missis in by the treaty, of 1783, with first distributions with the forms of courtesy force of the struggling for supremacy in our public men, he alone, perhaps, can speak of a living the struggling for the first distribution of the struggling for supremacy in our struggling for supremacy in our third all presons should be privileged able to visit the Presidential manson at the regular receptions, and, that the President should treat and distributions of the contraction of the struggling for supremacy in our struggling for supremacy in our twenty or thirty dollars per acts.

The main chanted of the Mississippi river to visit the Presidential manson at the regular receptions, and, that the Presidential manson at the regular receptions, and, that the Presidential manson at the regular receptions, and, that the Presidential manson at the regular receptions. he has thus spoken, in his published reminis-cences of his embassy in Loudon, and that I is estimony is most conclusive against those who from a publi-functionary at Frankfort, his no- he senate to insult him those. sely confound that doctrine with President tifted Govern T Morehead, that the general accurate Monroe's declaratione concerning Spain and her enument, having ascertained, from special cv on his long-continued and intimate relations colonies. All, Rash, we deflect, probably from his long-continued and intimate relations with the Monroe Administration, is farorably inclined to the Monroe Administration, is farorably inclined to the Monroe doctrine, though he his never shown a disposition to bolster it up at the expense of the truth of history, and we really cannot belp thinking that, if he were now called upon to construct a serious arginment in its behalf, ach was not behalf, ach was not be files on the negotiation with Mr. Canning in 1824, he would waite the task quite as willingly as he is known to have waived it then. But this by the way.

Mr. Rush is one of the few remaining hisks between the past and present generations of state men. He belongs, however, by his position and accomplishments and the exquisite suppose of the spirit, not less than by his silvery.

semper of his epirit, not less than by his silvery weight of years, to the statesmen par excellence presume, will be entitled to fall back upon the despise, let him do so, and the President could be resumed by the statesment par excellence presume, will be entitled to fall back upon the despise, let him do so, and the President could be recommended by the statesment part excellence. of the old regime. The son of Dr. Benjamin Rush, so famed as a physician, philanthropist, and patriot, cradled in the great constitutional Kentucky is such cases is to restore only the final complete of the general gaves of the such cases in the case of the general gaves of the constitutional constitutional constitutional constitutional constitutions. trung e for organized berty, erd trained to statemanship in the school of Jufferson and Madreon and their illustrious terper acre, without interest. The rule is a three action of a New Hampshire politician of the first gentleman in the United States terper acre, without interest. The rule is a three action of a New Hampshire politician of the first gentleman in the United States terper acres to carried by metallician and a qualification of the first gentleman in the United States that the occasion, as D mercats, to put ompeers, be has, from his first appearance on but governments cannot be pundshed for up. take this

Secretary of the Treasury, Minister to France. one else to be nominated by the Sag-Nicht parts

South in rights as ever lived, was written soley and avowedly to defend the institution of
slavery against the fierce assaults of Daniel
O'Connel and other European agitators. An
editor, who will cut off the top and bo tom of
a sentence just to get half a dozen words in the
middle, meaning the direct oppose to of what the
soutence fiself means, wo ld, if the matter
were of graver importance, deserve to have he
as elected by Missourians or not entitled to sents
in that hody. Mr. Atchison, silly as he may
be, has not admitted that the late Kanssa Legis
to the law alleged that Mr. Pierce had not
redeemed the pledges given by him to discounteamed the pledges given by him to discounthe and the pledges given by him to discounteamed the pledges given by him to discounteamed the pledges given by him to discounthe pledges given by him to discounteamed the pledges given by him to discounthe demed the pledges given by as he e re man.

The editor of the Democrat again quotes the residence of the United States not to sit in judg-oft-quoted decla as on made by us eleven years ment upon the morality of expectations. He constitution and the United States not to sit in judg-oft-quoted decla as on made by us eleven years ment upon the morality of expectations, and adhered to the age, who causes a M. Clay's about on paper was estroyed at L xington, that we hoped of outlive slavery is kentucky. Undoubted y the

liss, on a Ill. ering charge, is still fresh in the mids of a l.

R will be remembered that Lieut. John L.

Worsel, of Baltim re, and Lieut. Henry E'ben, for serly of the city, were sert out by our gain.

For Mraico.—A party consisting of William K. Smith. William Miller, ergueer, Bashind! William to the charge of her, which they mill, on the 27 hef November, at Port an Prince. They left the latter port on the 2d of December, with orders to take the Amelia to New York, she was then I aking. Leat Erben's opin of her sea gong qua dies may be found in the following extract of a letter received from him by his fathe, and dated Porte an Prince, 27th November, 15.1, the day they took commend of the viscal.

I do by whicher such a o'ller looking craft can be for din the Salea. She is very oid, and su level y thing on boar of her, sails taely (I know), said leake a little while in port yakes who she was the sea, I can't say, but Yankes his, can gare. "I she Am ta milt have be a little bester than a wreck wen she put into the Latbourdes. Thomas, as she had lost her rudder and mass, as — A Y Post.
